Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.

Marketing Petroleum Products In Nigeria - Associated Problems

By its name, the mixed research design is the combination of the two opposite methods, qualitative and quantitative research methods. This research method emerged as a third methodological movement in educational research as an attempt to went beyond the quantitative versus qualitative arguments (Teddlie & Tashakkori, 2003).
