§74.5. Academic Achievement Record (Transcript). (a) The commissioner of education shall develop and distribute to each school district and institution of higher education the state guidelines for a common academic achievement record and coding system for courses and instructions for recording information on the academic achievement record.

**19 TAC Chapter 74, Subchapter A - Texas Education Agency**

Accounting or accountancy is the measurement, processing, and communication of financial information about economic entities such as businesses and corporations. The modern field was established by the Italian mathematician Luca Pacioli in 1494. Accounting, which has been called the "language of business", measures the results of an organization's economic activities and conveys this ...

The OxMetrics tm system presents an interactive menu-driven graphics-oriented system for econometric, statistic, and financial analysis. Here we describe the core OxMetrics program, which acts as the `front-end' to a series of integrated software modules. These modules obtain their data from OxMetrics and return output and graphics to it.
