Take to the Skies. Every day, millions of people board flights bound for destinations across the United States and around the globe. Unfortunately, navigating sprawling airports and negotiating cramped planes makes traveling by air an uncomfortable experience for most passengers, and it can prove to be downright daunting for those with mobility challenges and other disabilities.

Absolute poverty refers to a set standard which is consistent over time and between countries. First introduced in 1990, the dollar a day poverty line measured absolute poverty by the standards of the world's poorest countries. The World Bank defined the new international poverty line as \$1.25 a day in 2008 for 2005 (equivalent to \$1.00 a day in 1996 US prices).
