Finance is a field that is concerned with the allocation of assets and liabilities over space and time, often under conditions of risk or uncertainty. Finance can also be defined as the art of money management. Participants in the market aim to price assets based on their risk level, fundamental value, and their expected rate of return. Finance can be split into three sub-categories: public ...

Financial Aid Census Date. The Financial Aid census date is the 14th day of the full term. As a result, if your enrollment status changes due to adding or dropping of courses thru this date awards will be adjusted accordingly. Financial Aid may not be adjusted if students add additional classes after the census date.
