Ethics have become an organizational priority. In the 21st century, ethics is neither a luxury nor an option. There is a growing impatience within society with selfish and irresponsible actions that impoverish some, while enriching the crafty.

The Role of Ethics in 21st Century Organizations

Ethical leadership is leadership that is directed by respect for ethical beliefs and values and for the dignity and rights of others.: 22 It is thus related to concepts such as trust, honesty, consideration, charisma, and fairness. Ethics is concerned with the kinds of values and morals an individual or a society finds desirable or appropriate. Furthermore, ethics is concerned with the ...

The Transformational Leadership Report

In response to the early criticisms of the trait approach, theorists began to research leadership as a set of behaviors, evaluating the behavior of successful leaders, determining a behavior taxonomy, and identifying broad leadership styles. David McClelland, for example, posited that leadership takes a strong personality with a well-developed positive ego.
