Lee Harvey Oswald (1939–1963) was a man who shot and killed President John F. Kennedy on November 22, 1963, in Dallas, Texas. He was also the man who shot and killed Dallas policeman J. D. Tippit on November 24, 1963, while he was in police custody. Oswald was a member of the Communist Party of the United States of America (CPUSA) and was known for his anti-social behavior and erratic personality. He was a former Marine and had served in the Vietnam War. Oswald was a controversial figure and his actions have been the subject of much speculation and debate. The Warren Commission concluded that Oswald was the lone assassin of President Kennedy. However, many people believe that Oswald was part of a larger conspiracy and that he was a patsy for a more powerful group. The assassination of President Kennedy remains one of the most significant events in American history and has led to numerous investigations and theories.
