In recent weeks I have had my first exposure to products from two different linguists with large reputations. Now posted on this site are reviews for both Learn Italian with Paul Noble and Start Portuguese with the Michel Thomas Method. The latter product features not Mr. Thomas himself (he died eight years ago), but rather someone else who worked with him and who now follows his approach.

Hi David, thatâ€™s wonderful that you are thinking about learning Portuguese. As I wrote on the front page, I think Portuguese is an absolutely gorgeous language that is quickly becoming an important world language as Brazil gains cultural and economic influence.
