Book review: locating localism: statecraft, citizenship

To date, localism has largely been a top-down project but Wills cogently argues, drawing on detailed case studies, that people can best effect change in their communities in bottom-up ways. In so doing, Wills advocates for the creation of civic infrastructure and capacity at the neighbourhood scale.

Locating Localism: Statecraft, Citizenship and Democracy

Localism doesn't ask who controls production, allowing it to be co-opted by governments offloading social services onto the poor. At worst, localism becomes a strategy for neoliberal politics, not an alternative to it.
