

macroeconomics for developing countries pdf

The World Bank (French: Banque mondiale) is an international financial institution that provides loans to countries of the world for capital projects. It comprises two institutions: the International Bank for Reconstruction and Development (IBRD), and the International Development Association (IDA). The World Bank is a component of the World Bank Group.. The World Bank's most recent stated ...

World Bank - Wikipedia

Overview. The current account is an important indicator of an economy's health. It is defined as the sum of the balance of trade (goods and services exports minus imports), net income from abroad, and net current transfers. A positive current account balance indicates the nation is a net lender to the rest of the world, while a negative current account balance indicates that it is a net ...
