Persona 5 is a role-playing game where the player takes on the role of a high school student who lives out a single year while attending school in modern-day Tokyo. The game is governed by a day-night cycle and weather systems that determine general behavior similar to a social simulation game. The year is punctuated by both scripted and random events – the protagonist attends school, can ...

Although the start of the history of film is not clearly defined, the commercial, public screening of ten of Lumi re brothers' short films in Paris on 28 December 1895 can be regarded as the breakthrough of projected cinematographic motion pictures. There had been earlier cinematographic results and screenings but these lacked either the quality or the momentum that propelled the ...
