Master of Business Administration (MBA) < Case Western

Scrum is an agile framework for managing knowledge work, with an emphasis on software development. It is designed for teams of three to nine members, who break their work into actions that can be completed within timeboxed iterations, called "sprints", no longer than one month and most commonly two weeks, then track progress and re-plan in 15-minute stand-up meetings, called daily scrums.

Scrum (software development) - Wikipedia

At this year's Garden Gala, tickets for prizes will be available inside the party to all who attend. Please show your support for the Foundation by trading at these businesses who have contributed to this special fund raising opportunity.
