Dan Meyer has created a spreadsheet on which he has listed the Three Acts of many math tasks.. Act One is the video or image of a situation that generates questions that can be answered mathematically. In Act One the student asks a question and then determines what information is needed to answer the question.

Undergraduate Programs. A Donald Bren School of ICS undergraduate education is a blend of scholarship, science, technology, and practical application that forms an excellent foundation for professional life.

Donald Bren School of Information and Computer Sciences

An apprenticeship is a system of training a new generation of practitioners of a trade or profession with on-the-job training and often some accompanying study (classroom work and reading). Apprenticeship also enables practitioners to gain a license to practice in a regulated profession. Most of their training is done while working for an employer who helps the apprentices learn their trade or ...
