It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Helping Children Succeed – What Works and Why

Reviews of some of the most popular homeschool math programs used by both South African homeschooling families and homeschoolers abroad. We have used most of the maths curriculum products on this page ourselves and we can recommend them.
