Nudity, or nakedness, is the state of wearing no clothing.. The deliberate and conscious wearing of clothing is a behavioural adaptation, which among all known extant and extinct animals is a uniquely human characteristic arising from functional needs such as protection from the elements. Protection from the elements includes the sun (for depigmented human populations) and cold temperatures ...

Speaking too fast is often the result of not stopping to breathe often enough. Solution: To slow down your speaking with the breath, consciously take a breath before you begin. Remember to stop and breathe between ideas. The next time you practice a presentation, take time to inhale and exhale deeply five times before you start to speak.
